## Starter questions for personal reflection, or group discussion.

1. Which Biblical character are you looking forward to meeting in Heaven, and what question would you like to ask him/her?
2. When you get to Heaven, what current limitation are you looking forward to escaping; or what advantage are you looking forward to gaining?
3. When everyone went to Paradise or Torment, and could look and speak across the gap, how do you think people on each side felt?
4. Do you think it is ever right to prolong, or to shorten life, by putting someone on life support, or to take them off it?
5. The Bible makes it clear: when we die, we leave this physical realm. Therefore, there is no such thing as ghosts of dead people wafting around us. But there are evil spirits pretending to be those people. Why do you think Satan might want to deceive the living about life after death?
6. Read Ezekiel 33:11. How does God feel about people going to Hell? Why do you think He feels that way? Why doesn't He do something about it? Why doesn't He take everyone to Heaven?
7. If someone asked you how they could be sure of going to Heaven, what might you answer them?
