For prayer

For discussion

1. What is one thing you learned about Before the Beginning? Where you surprised by what you learned?
2. Read 1 Peter 1:18-20. When was the plan of salvation formulated? Why is it important that this plan was not a later development by God?
3. Read John 14:6 and Acts 4:12. How many ways are there to Heaven? What answer might you give to someone who thinks there are many ways to Heaven?
4. Read 1 Timothy 2:3-6. Who can be saved? How many pathways does God make available to Himself?
5. Read Mark 8:32. Is there an example you can share, of a time when you told God what He should or shouldn't do? What is our internal trigger that might make us rebuke God?
6. Read Philippians 2:5-8. What are some attributes of the mind we are to have? How can I know if I have achieved that mindset?
7. Read Romans 12:2. List some of the ways that I can practice this command.
