This week's prayer priorities

Praise God because He is...

Thank God because He...

Ask God because He is...

For personal reflection, or as discussion starters

1. What are some of the more frustrating things about being part of this world?
2. If you were to go on a walking holiday what are some countries you might want to (and not want to) walk through? Why?
3. Read Romans 12:1-2. Explain to someone how to "be transformed".
4. These ancient people were trying to make their own way to heaven. Why can no one do that? What is the only way to heaven, and why?
5. Read Exodus 34:6-7. What are some advantages, and disadvantages, that flow from God's character, and His actions?
6. Read Psalm 86:11-12. In what ways does God usually teach you? How can I become more teachable?
