Thought starters for personal reflection or group discussion

1. Have you ever had the experience of something being true, but you had trouble believing it? What made it difficult to believe? (eg. 9/11)
2. What reactions did the disciples experience (v37, 38, 41)? If you had been there, which of these reactions would most likely be yours?
3. What did Jesus do (v39-43), and what do you think was the purpose of those actions?
4. Once Jesus had convinced the disciples He was alive (v38-43), what was His next step (v44-45); and why was this step the logical necessity?
5. List some of the benefits of Jesus returning to physical life, rather than dying and being in Heaven.
6. What are the two key elements of the Christian message (v47); why are both of essential; and why are they listed in this order?
