

Take a closer look at God

¹⁸ The anger of God is being revealed from heaven against all the godlessness and wickedness of those who suppress the Truth by their wickedness.

¹⁹ For what may be known about God is plain to them, because God has made it plain to them.

²⁰ For since the creation of the world God's invisible qualities; His eternal power and Divine nature, have been clearly seen, being understood from His workmanship. Therefore, people are without excuse.

Thought starters for personal reflection or group discussion.

1. How do you think of God? Do you think of God as being angry? What would prompt someone to think of Him in that way?
2. What do you see as some indicators that God is angry; in what ways does He display His anger? Could these indicators have some other explanation, other than God's anger?
3. What, in particular, angers God, v18b? What are some examples of this practice?
4. Quoting from v19-20, how difficult is it to know God? If you did not have a Bible, what could you know about God?
5. In what ways would it be possible to suppress the Truth of v20? What answers could we offer to return to the Truth?
6. What is suggested by the closing words, "so everyone is without excuse"?
