Thought starters for personal reflection or group discussion

1. What have been your experiences of angry people; or, what sort of things cause anger to rise within you?
2. Explain the differences between good anger and bad anger?
3. Some people complain that “God is angry every day.” Psalm 7:11 Why is this a good thing? What would happen if God was only loving and merciful?
4. Emotions are a gut reaction. Attitudes are a heart position. And thoughts are a head consideration. Why do we need all three?
5. Read James 1:19-20. Why is the order in v19 important? In v20 emotions fail – why is that so?
6. God made a final statement in v10, then asked a final question in v11. What do you think happened in the imaginary v12?
