Discussion starters with no wrong answers:

1. Do you enjoy mystery novels? What is your favourite style book?
2. Write a list of the gifts given to us by God. What are some advantages of living with God's gifts? How does gratitude make everyone a winner?
3. Read 2 Corinthians 1:3-4. What have we received, and why was it given to us? How could you use this principle to help a) someone who is depressed? b) someone who is fortunate?
4. Why do you think God binds Himself to a written document? Read 1 Corinthians 2:14. Do you think it is fair that non-Christians don't get the full meaning of the Bible? How can we help non-Christians understand what God is saying?
5. If all believers are the "one body of Christ" why are there so many churches? What are some advantages/disadvantages of all churches combining?
6. What are some examples of Bible promises? Do you have a favourite promise? Today's text ends with "...the promise in Christ Jesus." In what ways is Jesus the fulfilment of all the Bible's promises? Does God's promise in Christ Jesus solve all our problems?
