

There are 2 types of people in this world

¹⁷ Brothers and sisters, join one another in following my example, and carefully observe those who live according to the pattern we set for you.

¹⁸ For, as I have often already told you, and now declare even with weeping: Many people are living as enemies of the cross of Christ.

¹⁹ Their destiny is destruction; their god is their appetite; their glory is their shame; and their mind is set on earthly things.

²⁰ But our citizenship is in heaven, and from there, we eagerly await the Saviour, the Lord Jesus Christ.

²¹ He will transform our lowly bodies to be like His glorious body, using the same power that enables Him even to subject all things to Himself.

Thought starters for personal reflection, or group discussion

1. Why do you think most people don't give much thought to either Heaven or Hell?
2. Read 2 Peter 3:9. Does God want to send anyone to Hell? Why or why not?
3. Read Matthew 13:40-43. Who is responsible for sending people to Hell; and why do they go there?
4. Do you think God is fair for sending people to Hell? Do you think He is fair for taking people to Heaven?
5. Read Matt. 3:1-2, Mark 1:14-15, and Acts 2:37-38. What is the key word in each reading, and why do you think it is important for the transition from Hell to Heaven.
