Thought starters for personal reflection or group discussion

1. Why is repentance an essential component for putting our past behind us? Can we, or others, move on without repentance?
2. Public sins need a public confession. Private sins need a private confession. What are some disadvantages of changing that system?
3. In what ways does Galatians 1:15 and Psalm 139:13,16 determine how we think about babies, before and after birth?
4. The persecutor had been rushing about to wreak destruction, v13-14. But what changed when he met Jesus, v16-18. Why the change?
5. The new convert did not try to see as many apostles as possible, v18-19. Why are we sometimes better off with less information?
6. What do I have to do to make Galatians 1:24 a reality?
