Thought starters for personal reflection or group discussion

1. What is the most memorable thing you have ever witnessed in a wedding ceremony or wedding reception?
2. What does Jesus' willingness to attend a party tell us about His character, His view of community, His approach to everyday issues, and of His home in Heaven?
3. This event occurred on Day 3 of a week-long reception. If Jesus had not intervened, what do you imagine the consequences may have been?
4. Jesus seems reluctant to help, v4. How do I balance "bearing other's burdens", Galatians 6:2, and "carrying our own load", Galatians 6:5?
5. What are some advantages of: a) telling Jesus our problems, and b) not telling Him how to fix them?
6. Why do you think we are told the unfilled water pots were for Jewish rituals, v6?
7. Why do you think Jesus made so much wine, about 600 litres, v6?
8. Why do you think Jesus never repeated this miracle?
