

How God’s people get the best

¹ Note, there were also false prophets among the people, just as there will also be false teachers among you.

They will subtly include destructive heresies, even contradicting the Master who purchased them; bringing impending destruction on themselves.

² Many will follow in their rejection of restraint, and because of them, the way of Truth will be defamed.

³ In their greed, they will exploit you with deceptive words. The longstanding verdict against them is not yet enacted, and their destruction does not drift away.

Thought starters for personal reflection or group discussion

1. Everyone has told lies. What were you trying to accomplish by lying?
2. Suggest three main reasons why lying is so serious.
3. Why do you think lying is so common (in politics, business, etc)?
4. Now think of the church. What do you think is a motivation for false prophets, false teachers, bad priests, and televangists?
5. Read 2 Peter 2:2, noting those who follow false teachers. How do you account for their popularity? How do we make truth popular?
6. Look at 2 Peter 2:3b. Why do you think God delays judgement against falsehood? (Then see 2 Peter 3:8-9)
