### Discussion starters

1. Use these Scriptures to build up a picture of Jesus: John 1:1-3,14; Philippians 2:5-11; Acts 17:30-31.
2. Read 2 Timothy 3:14-17. Why should I read the Bible? What is the meaning of each aspect of 2 Timothy 3:16-17? If "all Scripture is inspired" should we give every part equal importance (Hebrews 10:1)?
3. How can we read the Bible with our head and heart; and for our hands and health?
4. Jesus answered the disciples' Bible question (Mark 9:11, Malachi 4:5), but immediately redirected the conversation to the crucifixion (v12). List some reasons why He would do both those things.
5. How might you answer someone who says the Bible is full of mistakes and errors have crept in over the centuries?
