## My prayer priorities, 23 September 2018

### Today's song selection

Every praise is to our God | Love is surrender to His will | Teach me to dance | Living water (new) | I love to tell the story | Reach out to your neighbour | I looked for love | Living water

### Thought starters for personal reflection, or group discussion

1. When was a time that you were really, really thirsty?
2. The woman tried to block the conversation in v9 and 11. Suggest some reasons why she may not have wanted to talk to this stranger.
3. Suggest reasons why Jesus pushed through her brick walls and continued the conversation.
4. Why do you think Jesus changed tack and started talking about her relationships, v16.
5. The conversation peaks in v26. Why is that also the goal of our conversations?
