

Strategic Plan 2021-2023

Our purpose: To make followers of Jesus by being followers of Jesus

Our Principles	Our Priorities	Our Processes
Inspirational worship <i>Follow Jesus</i> <i>John 8:12</i>	Biblically practical Joyful praise Celebrate our heritage Music as service to God	Theologically sound & practical sermons/songs Mix of up-tempo and reflective songs Include a traditional hymn in most services Prayer and practise as focus for band members
Nurturing care <i>Honour one another</i> <i>Rom.12:10</i>	Forgiveness, harmony and unity Everyone feels welcome and valued Ministry gifts not filling service tasks Culture of prayer	Relate with respect, gentleness & consideration Confront sensitively and lovingly Seek and give forgiveness Accept and value differences in love We greet, welcome and follow-up everyone Help everyone to find a way of service they love and for which they are gifted Pray always anywhere for anyone & everything
Effective witness <i>Go... make disciples</i> <i>Matt.28:19</i>	Develop outreach culture Everyone able to share the Good News Appropriate political action Gospel-focused, resourced ministries Increase visibility of church World mission	Invite family and friends to Sunday church Practice: Admit, Believe, Commit or Sorry, Please, Thanks Publicly uphold God's Truth to government and community All ministries/activities have Gospel aim and are appropriately resourced Online visibility, banners under church sign Maintain support for Peniel Increase awareness of Australian and other international missions
Faithful governance <i>Do everything in orderly ways</i> <i>1 Cor.14:40</i>	Align ministries to policies and procedures Develop our Church Council members Financial viability and sustainability Safe Church policies and practices COVID-safe Music ministry guidelines and copyright	Focus on evangelism and pastoral care Use <i>Christian Management Advancement</i> tools Practice generosity, operate within budget Training, documentation and implementation Conform to NSW Health requirements Meet all CCLI requirements
