Thought starters for personal reflection or group discussion.

1. "The crucifixion proves God loves you so much He would rather die than punish you!" First, why is that statement so powerful? Second, complete this sentence, "The resurrection proves..."
2. After His resurrection, Jesus only appeared to many individuals and crowds, but only to those who were willing to believe in Him. Suggest why He limited Himself in this way.
3. When Jesus appeared to Thomas, He still bore the scars of the crucifixion. Why do you think He kept His physical wounds in His glorified body rather than being fully restored and unblemished?
4. Why do we need both the crucifixion and resurrection of Jesus, Romans 4:25?
5. What are some of the long-term, and immediate, benefits of Christ's resurrection?
6. 1 Corinthians 15:14 says that if Christ has not been raised, faith is "useless." Why is Christ's physical resurrection so important? Then see Luke 16:31.
