My prayer list

For discussion

1. Do you have a favourite promise, verse, or character in the Bible? What makes some words of Scripture more appealing than others?
2. If someone asked you what Jesus is like, how would you answer them? If someone said, 'I see Jesus in you,' what quality do you hope they are noticing?
3. Moses and Elijah were seen alive, many centuries after they died. What would you like to do in your first few centuries in Heaven? Heaven is not just quantity of life, it is Quality of Life. What are you looking forward to in Heaven?
4. What are some differences between Ministries and Activities, and how can you tell if something that started out as a Ministry has degraded into an Activity? What safeguards would you suggest to keep Ministries on track? What are godly options for Activities?
5. Are you more prayerful in good times or hard times? What is the connection between circumstances and prayer? What might help to make my praying more consistent?
6. Why doesn't God give me all the answers I seek?
