### Thought starters for personal reflection, or group discussion

1. Was your own conversion more like a slow progression into the light, or more like a bolt out of the blue?
2. Looking back to **before** your conversion, what were some factors that were moving you towards salvation?
3. Read John 1:35-39. What were the steps that led to Andrew becoming convinced about Jesus? What convinced you that following Jesus was the best path through life?
4. What do you think was the emotion contained in John 1:41? Is emotion compatible with witnessing about the Good News?
5. What makes hospitality such a great witnessing accessory?
6. Why can't you witness without words?
