Thought starters for personal reflection or group discussion

1. List some advantages of a good memory. What are some disadvantages of a good memory?
2. Lot chose Sodom for its financial and social benefits (Gen.13:10-13). Read 2 Peter 2:7-8. How do you determine when the hidden costs are not worth the benefits?
3. When Lot and his family fled, they took their best wine with them v32-35). If you had to flee your home at a moment’s notice, what would you take with you?
4. Why do you think God makes rules? (eg. Don’t look back) Why do you think God imposes rewards or punishments?
5. Why do you think God wants us to remember Lot’s wife?
6. Read Genesis 19:29. Why was Lot and his family rescued? What did God remember about Abraham, and how can we also model that?
