My prayer priorities for this week, 3 December 2017

This week's song selection

At the name of Jesus / How high and how wide / Our God is a great big God / Change my heart O God / Come O long-expected Jesus / Jesus name above all names / How great is our God / Let me serve you

For private reflection or group study

1. What was one of the first things you owned, and about which you remember being able to say, 'This is mine'?
2. Read Psalm 139:1-12. What are some benefits of God knowing absolutely everything there is to know about me? Is there a down side to God knowing all about me? What is your favourite part of this text?
3. What is the difference between: anti-church, un-churched, at church, de-churched, and the church? How do you witness to someone who is anti-church? How is it different from witnessing to someone who is un-churched? How can you help someone who is de-churched recover their faith? How do you help a person who is at church progress to being part of the church?
4. God's will for my life is found in 1 Thessalonians5:18 & 1 Pet.2:13-17 Without using religious jargon, explain how you live God's will.
5. How did Mary describe herself in Luke 1:38? Why is that a beneficial description for me, too?
