Thought starters for personal reflection or group discussion

1. Imagine a good person. What makes them good?
2. What are some logical consequences of God’s nature being good?
3. Suggest some reasons why God would want us to engage with Godly people.
4. What are some advantages and disadvantages of engaging with ungodly people?
5. Why would God want us to be contributors? How can we make sure our contribution exceeds our consumption?
6. What benefits come from admitting when things are going bad; and when things are going well?
