Thought starters for personal reflection or group discussion

1. Did you recognise any of your own temperament traits in Andrew, Simon, Nathanael, or Philip?
2. Why is it helpful to know both the positive and negative qualities of our temperament?
3. Andrew expressed sanguine tendencies. What is one thing you admire about sanguines? What are things we need to guard against in the sanguine part of our temperament?
4. Simon Peter expressed choleric tendencies. What is one thing you admire about choleric? What are things we need to guard against in the choleric part of our temperament?
5. Nathanael expressed phlegmatic tendencies. What is one thing you admire about phlegmatics? What are things we need to guard against in the phlegmatic part of our temperament?
6. Philip expressed melancholic tendencies. What is one thing you admire about melancholics? What are things we need to guard against in the melancholic part of our temperament?
7. Suggest ways to replace the desires of the flesh which war against the soul. 1 Peter 2:11
