

Fake it, and you won't make it

¹ In those times, crowds of many thousands of people gathered.

There were so many they were trampling on one another.

[Jesus] began by first speaking to His disciples.

'You yourselves must be very aware of the yeast of the Pharisees, which is stage-acting.

² There is nothing that is now concealed that will not be revealed; nor hidden that will not be made known.

³ Whatever you have said in the darkness will be heard in the light; and whatever you whispered into the ear, in secret rooms, will be proclaimed from the rooftops.'

Discussion starters for personal reflection or group study

1. What is 'fake news' and why does it flourish?
2. Imagine the scene at the beginning of Luke 12:1. But Jesus ignores the crowd. Where does He focus, and why?
3. Hypocrisy started out as a popular profession. Why do you think it became such a term of disrespect?
4. Read 1 Timothy 4:1-2, and explain the connection between hypocrisy and turning away from the faith. How can we ensure we remain in the faith?
5. How does being afraid &/or ashamed lead to hypocrisy? How can we maintain appropriate fear and shame without being hypocrites?
6. Jesus concludes (Luke 12:3) with warnings to believers. What are some practical steps to heed those warnings?
