

Tracking our trajectory

Luke 12:54-56

⁵⁴ Then Jesus said to the crowds, "As soon as you see a cloud rising in the west, you say, 'A shower is coming,' and that is what happens.

⁵⁵ And when the south wind blows, you say, 'It will be hot,' and it is.

⁵⁶ You hypocrites! You know how to interpret the appearance of the earth and sky.

Why don't you know how to interpret the present time?

Thought starters for personal reflection or group discussion

1. How successful are you at predicting the weather?
2. What is the basis for a Christian definition of marriage? Can the world legitimately say we have an invalid basis?
3. The world has accused the church of hating 'gays' because the Bible declares homosexuality as a sin (Leviticus 18:22). Read 1 Corinthians 6:9-11. What actions are listed? Who has been included? What is the alternative? And how is it possible?
4. What is God's attitude to those who disagree with us (John 3:16); and what should be our attitude (Luke 6:27)?
5. What is going to happen to the church if we adopt the world's value system and standards?
6. What is the alternative (2 Peter 3:17-18)?
