BIBLICAL FOUNDATIONS

The Bible was not given to increase our knowledge but to change our lives!

2. Creation's

The mind of God is:

The will of God is:

The heart of God is:

We have the of Christ. 1 Corinthians 2:16

Choose to do the of God. John 7:17

Keep yourselves in God's Jude 1:21

We have the mind of God the Son, not...

Nobody ever wrote down a plan to be broke, fat, lazy, or stupid. Those things are what happen when you don't have a plan.

This week's prayer points:

Discussion Starters:

1. Where, or what, are some of your favourite parts of the natural world? What makes them so special to you? What do they teach you about your Creator?
2. Suggest some reasons why God took 6 days, rather than 6 seconds, to create everything.
3. List some advantages of examining any doctrine in the order: first Gospels; second Letters; third History; last Poetry/Prophecy. Do you tend to read the Bible mostly for your head, your heart, or your hands? If someone was to tell you how to be a better reader of the Bible, what might they say to you?
4. What is the best, or worst, thing about being made in the image of God? We have the mind of God the Son (1 Cor.2:16, Phil.2:5). Why do you think we are more like Jesus, and less like the Father or the Holy Spirit?
5. "Nobody ever wrote down a plan to be broke, fat, lazy, or stupid. Those things are what happen when you don't have a plan." How well formed are your plans for your life? Read Jeremiah 29:11. What advice would you give to someone for them to integrate their plans with God's plans?
6. What makes Day 7 different from Days 1-6? What can you do to live a Day 7 lifestyle?
